Re: United States v. James Moore, No. 18 Cr. 759 (RMB)

Dear Judge Berman:

We represent Defendant James Moore, and write on consent of the government to request an adjournment of the upcoming conference on January 6, 2021. The BOP website shows that Mr. Moore is not in Bureau custody, and the parties believe he is in transit to his next designated facility, but it appears that it will not be possible for him to be presented for the conference until his arrival is confirmed. We therefore request an adjournment to a date available to the Court in late January or early February (excepting January 20, February 1 and February 8, for which I have conflicts).

We thank the Court for its attention to this request and are available to answer any questions.

Respectfully submitted,

/s/ Michael J. Grudberg
